## STORIES FOR PLANET

The display board is a collection of educational materials related to environmental science. It includes several panels with illustrations and text:

- Top Left:** A large illustration of the Earth with a sun and clouds, and a small boat on the water below.
- Top Middle:** A panel with a green plant and a blue sky.
- Top Right:** A panel with a tree and a landscape.
- Middle Left:** A yellow panel with a drawing of a leaf and some text.
- Middle Center:** A large panel with a drawing of a plant and a deer.
- Middle Right:** A panel with a drawing of a person and some text.
- Bottom Right:** A panel with drawings of a strawberry and other fruits.
